Dear Licensee:

In accordance with procedures adopted by the Commission,<sup>1</sup> this letter constitutes notification to Visionary Related Entertainment, LLC of the filing of a minor change construction permit application (File No.: BPED-20070525AHV) by Educational Media Foundation ("EMF"), licensee of FM Station KHAI, Wahiawa, HI (Facility ID No. 66211). EMF's application proposes to increase the facilities for KHAI from Class C2 to Class C on Channel 278, at the station's existing transmitter site. To accommodate these changes, EMF's application requested the substitution of Channel 276C1 for Channel 277C1 at Kekaha, HI and modification of KSHK's license (BLH-20000825AGV) accordingly.<sup>2</sup> Similarly, EMF also proposes the substitution of Channel 280C for Channel 279C at Paauilo, HI, and the modification of KNUQ's license (BLH-19900425KB) accordingly.<sup>3</sup>

Section 316(a) of the Communications Act of 1934, as amended,<sup>4</sup> permits us to modify the license or construction permit if such action is in the public interest. The Act requires that we notify the

<sup>2</sup> The license of FM station KSHK at Kekaha, HI can be modified to specify operation on Channel 276C in lieu of Channel 277C at the station's current authorized transmitter site (BLH-20000825AGV). The licensed coordinates for FM station KSHK at Kekaha are 21-56-11 NL and 159-26-43 WL.

<sup>3</sup> The license of FM station KNUQ at Paauilo, HI can be modified to specify operation on Channel 280C in lieu of Channel 279C at the station's current authorized transmitter site (BLH-19900425KB). The licensed coordinates for FM station KNUQ at Paauilo are 20-38-18 NL and 156-23-01 WL.

affected station(s) of the proposed action, the public interest reasons for the action, and afford at least 30 days to respond. This procedure is now set forth in Section 1.87 of the Commission's Rules.<sup>5</sup> We find that the EMF application has sufficient public interest benefits to justify the issuance of show cause orders. Furthermore, EMF states that it would reimburse Visionary Related Entertainment, LLC for the reasonable costs incurred in connection with the proposed channel changes consistent with the *Circleville* policy.<sup>6</sup>

Accordingly, IT IS ORDERED, that pursuant to Section 316(a) of the Communications Act of 1934, as amended, 47 U.S.C. § 316(a), and pursuant to Section 1.87 of the Commission's Rules, Visionary Related Entertainment, LLC, SHALL SHOW CAUSE why the license for KSHK SHOULD NOT BE MODIFIED to specify operation on Channel 276C1 in lieu of Channel 277C1, and SHALL SHOW CAUSE why the license for KNUQ SHOULD NOT BE MODIFIED to specify operation on Channel 280C in lieu of Channel 277C. Visionary Related Entertainment, LLC may, not later than 30 days from the date of this letter, file a written statement showing with particularity why its licenses should not be modified as proposed in this *Order to Show Cause*. The Commission may call upon the affected licensee herein to furnish additional information. If the affected licensee raises any substantial and material questions of fact, a hearing may be required to resolve such questions of fact pursuant to Section 1.87 of the Rules. Upon review of the statements and/or additional information furnished, the Commission may grant the modification, deny the modification, or set the matter of modification for hearing. If no written statement is filed by the date referred to above, the respective licensee will be deemed to have consented to the respective modification as proposed in this *Order to Show Cause* and its license will be reissued indicating the modification of its assignment by specifying the new channel.

Further action on the subject application will be withheld for thirty days from the date of this letter to provide an opportunity to reply. Please note that responses must be submitted to the Secretary of the Commission in triplicate and must be served on all parties.

Sincerely,
